Passion & Purpose

How can I connect my desire to answer God's call with needs around the world?

About ...

CONNECT, a United Methodist Volunteers in Mission Southeast Jurisdiction annual event, allows participants to share experiences from their short-term mission trips, gain insight and resources from a variety of workshops, network with domestic and international projects and missionaries, and worship together during inspiring sessions that incorporate a diversity of speakers and venues.

If you've never been on any kind of mission trip, CONNECT is a great place to meet experienced leaders, learn skills, gain knowledge, find projects, or just ask questions. Teams, individuals, medical, disaster — whatever your interest — CONNECT is a great place to begin your mission experience!

Starring ...

BISHOP WILL WILLIMON

Resident Bishop of the North Alabama Conference, Bishop Willimon was named one of the twelve most effective preachers in the English-speaking world. Since becoming a bishop, Willimon has participated with clergy disaster teams to Hurricane Katrina and an UMVIM clergy expository team to Panama.

BISHOP HOPE MORGAN-WARD

Resident Bishop of the Mississippi Conference, Bishop Morgan-Ward supports and encourages the work of teams responding to the coastal area devastated by Hurricane Katrina. She has participated with disaster teams to conferences affected by hurricanes prior to Hurricane Katrina. Bishop Morgan-Ward met her husband, Mike, on a VIM trip to Bolivia.

DR. WILSON BONFIM

Dr. Bonfim is director of EvangeMed, a physician, and a missionary serving in the Rio Conference, Brazil. EvangeMed Mobile Medical/Dental Clinic and the Boat Ministry in the Amazon allow medical teams to take health care into the areas where it is needed most.
