## United Methodist Volunteers In Mission

*Little children, let us  
love, not in word or  
speech, but in truth and  
action. 1 John 3:18*

United Methodist Volunteers In Mission (UMVIM), SEJ exists to promote, encourage and enable Christians to exemplify “Christian Love In Action”. Our aim is to achieve the Great Commission through providing short-term mission opportunities for everyday Christians.

UMVIM connects volunteers with opportunities for service by developing and nurturing relationships with domestic and international leaders. A key connection in times of disaster is with our UMVIM Coordinators in the affected areas.

UMVIM promotes and encourages disaster relief and recovery through our quarterly newsletter, the UPDATE, our printed literature and on our Web site. For the latest in mission opportunities to disaster sites go to [http://www.umvim.org/Disaster\\_Response.htm](http://www.umvim.org/Disaster_Response.htm)

We also provide training programs for individuals and team leaders to help them prepare themselves and their team(s) for the mission field.

## SERVE ON A TEAM

### BUILD YOUR OWN TEAM

Gather a group of friends from your church, sunday school class or local community and build your own short term volunteer team. The VIM Office can supply you with step by step guides for putting a team together, as well as a list of projects throughout the USA and in over 50 countries. You choose the dates, location and project, & VIM will connect you with a project coordinator to help you get started.

### JOIN AN SEJ TEAM

Be daring and get to know new people by joining an SEJ Team. Provide VIM your contact information and we will send you a list with the dates and locations of teams that are planning to go.
